

# **Rothilde de Haudre DAUGHTER of Duke Haudre**

0758 – 28 July 0834

THIS HAS BEEN FALSIFIED!!!

Rothilde de Haudre DID NOT MARRY Ingerman, Count of Hesbaye!

Rothilde de Haudre IS NOT the mother of Ermengarde de Hesbaye!

Ermengarde. She married into the Frankish royal family, the Carolingians and was the first wife of King Louis the Pious, Son of Charlemagne.

Ingerman (Ingram, Enguerrand) (c. 750-818), was a Frankish noble and Count of Hesbaye, son of Sigram of Hesbaye.

Description

NOT THE Abbess of Faremoutiers

# Mainier de Sens

HIS WIFE IS IN DISPUTE.

Through a process of elimination his wife is Ruodhaid Carolingian, because Rotrude de Haudre married Count Ingerman de Hesbaye and not Mainier de Sens:

MAINIER'S WIFE:

Ruodhaid Carolingian DAUGHTER of Charlemagne and Madelgarde

0790 – 24 March 0852

Ruodhaid, Abbess of Faremoutiers

NOTE RESOLVING THE DISPUTE:

Ingerman de Hesbaye's wife is Rotrude de Hesbaye.

Rotrude de Hesbaye

Birth Name: Rotrude de Haudre DAUGHTER of Duke Haudre

Rotrude de Haudre married Count Ingerman de Hesbaye, becoming Rotrude de Hesbaye.

Ingerman (Ingram, Enguerrand) (c. 750-818), was a Frankish noble and Count of Hesbaye, son of Sigram of Hesbaye.

Ingerman married Rotrude de Haudre. Ingerman and Rotrude had one daughter:

Ermengarde of Hesbaye. She married into the Frankish royal family, the Carolingians and was the first wife of King Louis the Pious, Son of Charlemagne.

Mainier de Sens

Birth circa 740;

Death 800;

Immediate Family:

Wife: Ruodhaid Carolingian DAUGHTER of Charlemagne and Madelgarde

Son of Albo, count of Sens;

Father of Gainfoi de Sens

# Gainfroi de Sens de Maasgau

--

Comte Gainfroi ou Adalbert II DE MAASGAU de Sens

Count Gainfroi Maasgau/ Massgau (Sens), Count Sens

HIS PARENTAGE IS UNKNOWN; BUT, PEOPLE OVER THE CENTURIES HAVE CHOSEN SOME OF THE MOST LIKELY CANDIDATES. SEE THE LIST BELOW FOR 14 POSSIBLE CANDIDATES TO BE GAINFROI'S FATHER.

My personal preferred father for Gainfroi:

Mainier De Sens Duke Of Austrasia 740-800

<https://www.genealogieonline.nl/en/stamboom-wicquart/I17012.php>

That would make Gainfroi's mother Ruodhaid Carolingian, because Rotrude de Haudre married Count Ingerman de Hesbaye and not Mainier de Sens.

Gainfroi is part of the Lower Royalty, which means that at this point in history within France, we should be looking for the Charlemagne connection. All of the Lower Royalty in France have some kind of connection with Charlemagne, either through marriage or descent. For centuries, before we found Gainfroi a set of parents that people could agree upon, they were looking for the Charlemagne connection. Gainfroi's parentage is still unknown, it's just that everyone's favorite choice has finally floated to the top. We shouldn't ignore the possible and likely Charlemagne connection. It's truly possible that Gainfroi is a descendant or relative of Charlemagne, and it just as equally possible that Gainfroi married one of Charlemagne's descendants or relatives. We don't know for sure.

THE IDENTITY OF HIS MOTHER IS IN DISPUTE, SO PLEASE LEAVE THEM ALL IN PLACE BECAUSE THAT'S THE PROPER WAY TO HANDLE A PARENTAGE DISPUTE HERE ON FAMILY SEARCH. IF YOU THINK YOU CAN DOCUMENT YET ANOTHER MOTHER, THEN ADD HER TO THE LIST; BUT, PLEASE STOP DELETING THEM.

Gainfoi de Sens

Birth circa 770 Death:

Died 795

Immediate Family:

Son of Mainier de Sens and Manier (Comte De Sens)

Husband of Theidlinde de Blois

--

HIS MOTHER'S IDENTITY, ROHAUT OR ROTHILDE, IS ALSO IN DISPUTE:

Individual Note

Carolingian Counts

Maynard or Méginard († 817, 828 or 831), 1st Earl of Sens in 814 as a profit invested by the Emperor Charlemagne. Married to Rohaut (perhaps Charlemagne's natural daughter) or Rothilde.

IF I UNDERSTAND THIS CORRECTLY, HIS PARENTAGE IS IN DISPUTE. HERE'S A LIST OF HIS POSSIBLE FATHERS. THIS IS INSANE. IN FACT, THE PERSON THAT WE CHOSE AS HIS FATHER ISN'T EVEN ON THIS LIST.

AND DON'T GET STARTED WITH HIS WIFE, BECAUSE HER IDENTITY AND PARENTAGE IS ALSO UNKNOWN AND IN DISPUTE. HIS PARENTAGE, AND THE PARENTAGE OF HIS WIFE CHANGES EVERYDAY HERE ON FAMILY SEARCH. THROW THE DICE AND PICK ONE. OR PICK A FEW.

I DID FIND A POSSIBLE CONNECTION BETWEEN HIM AND CHARLEMAGNE THROUGH ROTHILDE, THE DAUGHTER OF MADELGARDE DE LOMMOIS.

<https://www.familysearch.org/tree/person/details/L87F-PG2>

Although this connection is always deleted whenever I restore it, I'm going to try to preserve it because it pays dividends; and, there are people who have noticed a connection. These people are royalty for a reason, because they are Charlemagne's heirs, which makes them legal descendants of Charlemagne, even if by adoption alone. Charlemagne tried to take care of his illegitimate children as well as the ones associated with his legal wives.
